Excerpts from nominations! Alexis was nominated 6 times!

"My name is Alexis Moore, and I am the founder and president of Survivors in Action, a national non-profit crime victim advocacy organization. As a survivor of domestic violence, stalking and cyberstalking, I have made it my personal and professional mission to help others prevent, defeat, and overcome abuse of any kind. In that regard, I founded Survivors in Action, which supports victims of any crime regardless of age, gender, sexual orientation or immigration status. "

"Alexis' story is a heartwarming one of bravery, determination, and inspiration with one goal, To Help End Abuse of Any Kind! Alexis overcame insurmountable odds as a high-risk victim of domestic violence. She is recognized internationally as an expert in cyberstalking and abuse. Her life story is inspiring for people in abusive situations to protect themselves and gives them hope and courage."

"It is my honor to nominate Alexis Moore for the Giving Fabulous Contest. For the past eight years, I have watched her empower and inspire victims of domestic violence, stalking and cyberstalking."
